ABOUT THIS WISLINE TELECONFERENCE SERIES

WisLine Teleconference links speakers and participants across the state. Participants register for a convenient location (see panel), receive their materials at the site, and can ask questions and share ideas with speakers and participants at other locations.

This series of eight programs is designed to keep local government officials up to date on important issues in Wisconsin. Current problems facing local governments will be discussed by representatives from industry, state agencies, and local governments who have expertise in the selected topics. Each session will provide ample opportunity for participant questions and ideas. Programs will be moderated by UW-Extension's Local Government Center Staff.

REGISTRATION INFORMATION

There is a $15 fee per session, which includes the materials. Alternatively, you may purchase the materials for $15. Cancellations for individual sessions must be received 10 days prior in order to obtain a full refund.

Written materials supplementing the topics will be sent to WisLine sites for participants who registered at least 10 days before each program. Late registrants will receive their materials within one week after the WisLine session.

Most local governments that issue bonds or receive federal grants have begun meeting GASB 34 standards.
