

Wisconsin Youth Water Stories Summit

This could be you!

August 2 – 4, 2017
Upham Woods Outdoor Learning Center

- Share the story of your waterway during a Youth Poster Symposium
- Experience a Low Ropes Challenge Course with peers from throughout WI
- Explore Blackhawk Island
- Be part of STEM and Citizen Science in a unique outdoor setting

Youth will be traveling from Milwaukee, La Crosse, and Ashland to share their Water Quality stories. Will you be one of them?
