University of Wisconsin – Extension 4-H Youth Development

Summer 2016: Experience Mexico without leaving home!

Open your home to an exchange delegate and open your life to the world! Families will have an opportunity to experience Mexico by hosting exchange delegates, ages twelve through eighteen, for four weeks this summer.

The youth will be visiting the United States as part of a 4-H Exchange Program. You don't need to be involved with 4-H to host. You just need a willingness to share your lives and your friendship with a young person from another country.

The program is open to families who have a child close in age to the Mexican youth. One Mexican visitor will be matched to a family based on the host sibling's gender, age, and interests. The homestay itself only lasts the month of July, but the experience and the relationships built will last a lifetime!

There are also opportunities to host adult chaperones for 2- 4 weeks. Families who host chaperones are not required to have children in the home.

Applications: Visit <http://wi4hinternational.org/host/applications-forms/> to fill out an online application to host and for more information about applications procedures.
