

Rock County 4-H Club Information 2017

How to Join 4-H

- To join 4-H, call any club leader listed here. Feel free to call several clubs and visit several club meetings.
- Introduce yourself to the Club Leader as a prospective 4-H family. Club leaders will have project guides and information on the online enrollment process.
- New members may join at any time during the year but must be enrolled by March 1st to exhibit at the Rock County 4-H Fair. The enrollment period for re-enrolling members ends November 15th.
- Youth in Kindergarten (5K), first & second grade (as of October 1st) will participate in 4-H as Cloverbuds. Youth are eligible for membership through the year following their graduation from high school.
- The 4-H program is open to all youth regardless of race, color, gender, creed, disability, national origin, ancestry, sexual orientation, pregnancy, marital or parental status.
- The county membership fee is approximately \$20 per member and \$5 per Cloverbud. Some clubs charge a small fee in addition to the county fee.
- Members are expected to attend at least three monthly club meetings and enroll in at least one project. They prepare an exhibit for fair or a club meeting for each project.
- Each year, each member is expected to complete a record book of their projects and activities.

An AA/EEO employer, the University of Wisconsin-Extension provides equal opportunities in employment and programming including Title VI, Title IX and ADA requirements.
