

Your **Leadership Matters** in Local Government

"State and federal funding reductions, paired with increasing demands for services, will force counties to find innovative solutions to better serve their citizenry."

Mark D. O'Connell, Executive Director, Wisconsin Counties Association

Wisconsin Counties Association and Leadership Wisconsin are partnering to help leaders on the front lines of public policy and decision-making. Introducing a new program designed specifically for local government leaders...

Build Your Leadership Skills through core courses focused on:

- Communicating with Impact
- Innovative, Ethical and Inclusive Decision Making
- Building Trust, Negotiating Agreement and Managing Conflict
- Leading Change and Engaging Citizenry

Customize Your Training to Local Needs by taking electives in:

- Leadership
- Management
- Local government issues
- Special topics

Electives will include courses and workshops from WCA, the University of Wisconsin-Extension Local Government Center, Leadership Wisconsin, and other partners.

Apply Your Learning to address local challenges including:

- Aging infrastructure
- Changing demographics
- Declining finances
- Lack of citizen engagement
- Polarizing political positions
