

Creating an Inclusive 4-H Club Worksheet: Scenario 1

Kansas, Nebraska, North Dakota, South Dakota

Situation 1:

Aaron has been diagnosed with cancer. He is currently being treated at a Children's Hospital a few hours away. During the time that he is in treatment, he should not be around others who are sick due to a repressed immune system. He will be in and out of the hospital for the next 6 months to a year. He loves being in 4-H and does not want to miss out because he is sick.

Questions:

Use the Hot Sheets as a guide to assist you.

Describe the barriers to belonging to 4-H for this youth in this situation.

What are the adaptations (physical, environmental, etc.) that must be made for the 4-H'er?

What guidelines/rules does your club and/or county have that might be difficult for the 4-H'er to meet? What adaptations will need to be made?

IOWA STATE UNIVERSITY
Extension and Outreach

... and justice for all

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at 202-720-2600 (voice and TDD). To file a complaint of discrimination, write to USDA, Director, Office of Civil Rights, 1400 Independence Avenue SW, Washington, DC 20250-9410, or call 800-795-3272 (voice) or 202-720-6382 (TDD). USDA is an equal opportunity provider and employer.

Issued in furtherance of Cooperative Extension work, Acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture. Cathann A. Kress, director, Cooperative Extension Service, Iowa State University of Science and Technology, Ames, Iowa.

Creating an Inclusive 4-H Club Worksheet: Scenario 2

Iowa, Minnesota, Missouri, Wisconsin

Situation 2:

Maria's family recently moved here from another country. Her parents are not fluent in English. They do not understand the 4-H program and are very hesitant to allow her to join a program that might encourage activities or beliefs that do not fit into their cultural heritage.

Questions:

Use the Hot Sheets as a guide to assist you.

Describe the barriers to belonging to 4-H for this youth in this situation.

What are the adaptations (physical, environmental, etc.) that must be made for the 4-H'er?

What guidelines/rules does your club and/or county have that might be difficult for the 4-H'er to meet? What adaptations will need to be made?

Creating an Inclusive 4-H Club Worksheet: Scenario 3

Illinois, Indiana, Ohio, Michigan

Situation 3:

Dillon is a 6th grader. He has been diagnosed with Autism. He can handle being in groups, as long as they are small and he can sit by himself. He does not handle noisy and crowded scenarios well, such as the fair.

Questions:

Use the Hot Sheets as a guide to assist you.

Describe the barriers to belonging to 4-H for this youth in this situation.

What are the adaptations (physical, environmental, etc.) that must be made for the 4-H'er?
