

VFD Application Summary Directions for Use:

You are required to correctly apply VFD Orders and retain all VFD Orders for two (2) years, producing them for inspection when requested to do so. VFD Orders may be stored electronically or as hard copy paper. Use of this summary sheet will help you to organize the application of multiple paper VFD Orders. This form allows you to use various veterinarians and distributors for the VFD Drugs used on your farm. Use this summary sheet as the cover sheet in the VFD File and then file all VFD Orders written between the dates indicated on this summary sheet.

For example: Dr. VCPR issues a VFD Order for your farm business, for AS700 on 1/5/2017, which expires on 5/4/2017.

The VFD specifies the species and production classes of animals to be fed this product alone or as a combination VFD feed and the vet details multiple drug concentrations, or levels you may feed for a range of animal weights on your farm. The VFD Order is filed with Sunshine Feed Mill on 1/5/2017.

On 2/1/2017, following the protocol set by Dr. VCPR, you decide you want to feed AS700 to the yearlings at Dad's heifer barn, so you call Sunshine Feeds and request they fill the VFD Order for 33 calves each weighing approximately 600 pounds. You begin feeding it when it is delivered on the next day. From the label you see the duration is 28 days, so you will stop feeding it on 3/2/2017. Further, the label states the withdrawal time for this dose is 7 days, so you will not market these treated calves for sale until after 3/9/2017.

From the VFD Order, copy over onto this sheet the information requested:

Date began feeding	Location Description and/or Premise ID	Animals Description and ID	VFD Drug and how applied feed or water	Date finished Duration from label	Withdrawal date calculate from label	Veterinarian	VFD Expiration date	Where purchased from
2/2/17	Dad's heifer barn	Yearlings Ear tags 301-334	AS700 feed	28 days: 3/2/2017	7 days: 3/9/2017	Dr. VCPR	5/4/2017	Sunshine Feeds

In July, 2017 an inspector calls requesting an appointment to review your records. He tells you he is following up on Sunshine Feed's distribution of products in February 2017. Using the Summary Sheet you can quickly determine that you did indeed use a VFD feed from Sunshine Feeds in February, sorting through the corresponding file to find the actual VFD Order.
